Subject: Hollywood Media District- Past Due Assessment

Tim,
Per our phone conversation, our Facilities Branch indicates that the department is issuing a check for the Hollywood Media District assessment. Apparently the billings have been going to the Department of Transportation. Our Facilities staff has contacted the City of LA and received revised invoices as of last Friday, May 27. Our accounting office will issue a check to the city within 30 days. I'm very sorry for any inconvenience this has caused you and your staff. Please contact me if you have any questions or concerns.
